

Volunteering is good for you...and for others

Sharing growth experiences with friends and family and giving of your time and knowledge to others are the keys to increased fulfilment and happiness.

Volunteering is a great way to learn, grow, share and broaden your experiences, while making new friends and colleagues - and also giving something back to your community.

And CBMC is a fantastic organisation to volunteer for.

Why CBMC?

We believe that our core values of love, respect and honour of those we work with drives our commitment to create and foster a volunteer environment that is safe, fulfilling, fun and of mutual benefit.

All volunteers and staff are encouraged to assist in the creation of meaningful and productive roles in which volunteers might serve, and to assist in recruitment of volunteers from community and business.

CBMC promotes sound business ethics and principles and builds networks between like-minded business people.

We have a mission to serve the business community in SA through a range of events and programs.

The CBMC Volunteer Program

A strong membership of people who participate in CBMC activities through service, fellowship, mutual agreements and who... *Desire to make a difference!*
